

Embryo Transfer ~ Embryo Vitrification ~ Mare Management ~ Foaling

EXCITING NEWS!!

We are pleased to announce changes to the 2013 Embryo Transfer Contract!!

Several factors have made these changes possible. As you may know, our contract has not changed since our inception in 2001. Through changing economic times and a strong desire to remain a leader in Embryo Transfer, both in success rates and client satisfaction, we feel that these changes will allow us to continue to have competitive pricing and be a stand out in customer service.

We are one of the only facilities that offer a LIVE FOAL GUARANTEE, and now it gets EVEN BETTER!!!

ALL PREGANCIAS will now have a LIVE FOAL GUARANTEE with no additional cost to you!!!

We have changed our current "Booking Fee" to an "ANNUAL ENROLLMENT FEE". Like the name implies, the Annual Enrollment Fee will be required only once per breeding season for each Donor Mare/Owner. In previous years, if you wanted to guarantee each of your pregnancies, you were required to pay additional Booking Fees. Unlike the Booking Fee, this Annual Enrollment Fee will now also serve as a **LIVE FOAL GUARANTEE for ALL paid pregnancies**. We felt like this was an area of concern for some clients and are happy to make this change for the better.

Increased costs of farm labor, bedding, feed and veterinary medicines have made it necessary to increase our Pregnancy Fee to \$2,800.00. In an effort to offset this increase we are reducing our "Recipient Mare" purchase price to \$700.00. Return of the recipient to Royal Vista Services Southwest after weaning, will entitle you to a \$700.00 account credit or a check to repurchase the mare. This decision may be made at the time the recipient mare is returned to Royal Vista Southwest.

These are SIMPLE changes that can have a HUGE impact on your breeding program. For this reason, and our commitment to excellent customer service, we felt that a letter spelling out the changes was warranted. Dr. James Bailey, Dr. Ryan Coy, Dr. Kay Thurman, Dr. Renae DelHomme, as well as our entire staff would be happy to answer any questions you might have about these changes or anything else. Please do not hesitate to call our office or email us.
